#### DEDICATION

"If you have knowledge, Let others light their candles by it . . ." Fuller

Life is filled with many corridors permeated with the darkness of ignorance. However, in our years at East Side High School, we have been blessed with educators who have sown the seeds for us to reap an abundance of treasures. These treasures are our candles with which we illuminate the pathways of life, thus enabling us to bask in the glorious sunlight of knowledge, one of the greatest gifts bestowed to man. It is to the faculty, whom we are indebted for helping pave the bumpy road

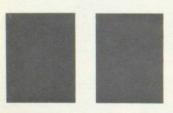

from adolescence to maturity, that we dedicate the Torch of 1964. Although we may never again encounter any of these wonderful people we've grown fond of, the memory of our four years of emotional and mental development, will remain with us always. To these, our true friends, we humbly say, "Thank you."

> Vivian Mulligan Class of 1964

# TORCH 1964

"Ask not what Your Country will Do for You, Ask what You Can Do for Your Country, . . . "J.F.K.

#### JOHN F. KENNEDY 1917-1963

In Memorium: "There was the sound of laughter and, in a moment, it was no more. And, so, she took a ring from her finger and placed it in his hands. "There was a wit in a man neither young or old; but a wit full of an old man's wisdom and, then, in a moment it was no more. And, so she took a ring from her finger and placed it in his hands.

"There was a man marked with the scars of his love of country, a body active with the surge of life far from spent and, in a moment, it was no more. And, so she took a ring from her finger and placed it in his hands.

"There was a father with a little boy and a little girl

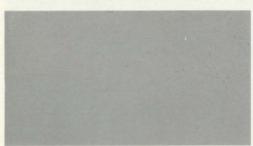

and the joy of each other and, in a moment, it was no more. And, so she took a ring from her finger and placed it in his hands.

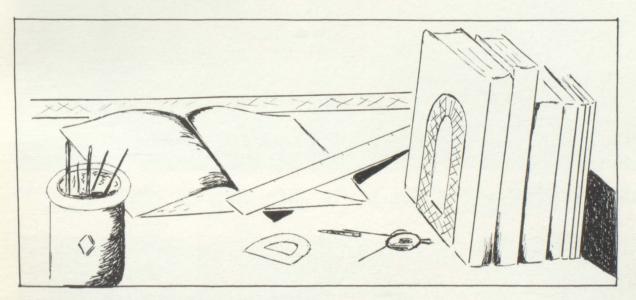

"There was a husband who asked much and gave much and, out of the giving and the asking, wove with a woman what could not be broken in life and, in a moment, it was no more. And so, she took a ring from her finger and placed it in his hands, and kissed him, and closed the lid of a coffin.

"A piece of each of us died in that moment. Yet in death he gave of himself to us."

(Eulogy delivered by Senator Mansfield)

# GUIDANCE COUNSELORS

Senior Guidance Counselors: (L to R) Mr. Hailperin, Miss Lynch, Mr. Rosamilia

For the good advice we all profited by and the equally ignored, the mountains of paper work, the hours spent planning class functions, the tireless work for the class of '64, "thanks" is not enough. Since no expression of our gratitude would really be adequate, we say it in the sincere hope that our paths will cross again.

# **Graduation March** Books now read, are all but put away, Pencils, papers, tests are waiting, another class, another day. We've shed our garments, like the four years of our youth, The years of study, pleasure, pain, and the search for truth. Arrayed at last, in robes of solemn black, Our heads held high, we move forward — not daring to look back. Forgive us if we falter, as somberly we tred, We know what lies behind us, But not what's up ahead.

To the stirring "Hail to the Chief" the East Side Color Guard bore to the stage a new 50 star flag. The flag, a gift of the Student Council, was then dedicated to the memory of the late president, John F. Kennedy. Following the reading of an eulogy to the president read by Irene Pianka and Philip Oralando's reading of his poem "The President is dead," Councilman Philip Gordon addressed the student body. With the singing of "America the Beautiful," the dedication concluded.
